Dear Barry:

I hope that our telephone conversation of June 23, clarified our positions.

1. To summarize, ADWR has very little effect on the activities of the Bureau of Indian Affairs (BIA) or any Indian communities. We intend to monitor the situation but have no mechanism to take action.
2. ADOT probably should coordinate its activities with Maricopa County. I suggest you contact the Flood Control District of Maricopa County at 834-2512 if you wish to get additional details.
3. Enclosed please find a copy of Executive Order No. 77-6.

Please feel free to contact me at the above address if you have any further questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Nicholas M. Priznar".
